ABOUT GOKUL AUTO INDUSTRIES

GOKUL Auto Industries, is an ISO 9001:2008 certified company and one of the rapidly growing firms in Gujarat. We manufacturing Lead Acid Battery by the name of GOKUL for Battery Industry sector last three decade.

Gokul Auto Industries established in 1994 and has been in business for 30 years. It is engaged primarily in the manufacturing and import genuine battery parts.

Mr. Ramesh Bhai Patel is founder of GOKUL Battery and a prestigious member of Gujarat Battery Association from the begging. His experiences and expertise are making GOKUL high quality and a reliable product in Gujarat batteries industries. We are suppliers and manufacturers to almost all type of Batteries including Car, Tractor, Motorcycle, Tubular and Inverter batteries etc. Our goal is not just to sell batteries but establish long lasting relationships and business with our client. We believe in manufacturing and delivery quality product and are dedicated towards supply of quality product.

We were also a distributor/franchise and supplier of world renown brand like AMRON, DERAMIC to all over the Gujarat. His next generation Mr. Vijay Kumaris also committed to take GOKUL Auto Industries to new height with new idea.

We are committed to providing our best services and quality product to our customer.
